Exceptional pianist

Polish artist Andrej’s star rises after death

By Cecwyn Overy

Special to the Arab Times

People call Levkovicius – a Fluminense and originally from Brazil – Dr. Fooled and the devil of piano, due to his atypical talent and the black- and-white manner in which he approached his art. He represented a complete and coherent musical universe, and his career has become a real musical secret.

Levkovicius was taken after his first recital in Brazil – a country that has always been very important in the sentimental horizon of this great Italian composer. He was known in many parts of the world and was considered one of the greatest pianists of his time. He was a master of the art of piano playing, and his technique was incredibly advanced.

Levkovicius was an extraordinary pianist, and his exceptional talent was recognized by many famous composers and conductors. He was a master of the art of piano playing, and his technique was incredibly advanced.
